

KENNET VALLEY HASH HOUSE HARRIERS

Mag/Run No 0003 - Sunday 15th March 1998 - The Cross Keys at Great Bedwyn

Your Scribe this week - Navy Mike (again)

There was a surprisingly good turnout for a second run. We had 18 runners 7 of whom were children. The weather was fine and dry and everybody really enjoyed another excellent trail laid by Navy Mike (modesty has always been one of my great virtues). The central feature of the run was the Kennet and Avon Canal. The longs the mediums and the shorts all headed off across the two hump-back bridges over the railway and the canal and up into the hills and woods beyond. Then each in turn swung right down to the canal and back along it to the pub. In fact nobody ran the medium at all - everyone was either a short walker or a long runner. The longs went as far as Wilton and had the pleasure of seeing a real windmill and on to Crofton where they had the pleasure of seeing a real beam engine. Margaret who ran her first long today was way out in front and she led the runners back to the pub (that was only because she didn't shout "On On" loudly enough the others said) - except that Martin overtook her on the last stretch whilst racing a small boy on roller skates - and Big Mike was way at the back (that was only because he kept falling over his two dogs he said).

The apres was noisy and fun. Navy Mike thanked himself for laying the trail and Rita presented him with a KVVH3 Hash Horn. Hashes from now on are likely to be a little noisier. Keep coming to the runs. This might be the start of something good

There are still some 'KVVH3 Inaugural Run' T-shirts available (only £6) if you would like one.

It has been decided that for a while at least KVVH3 runs will remain on Sunday mornings at 11am - and not change to a weekday for the summer - and will be every fortnight
