

KENNET VALLEY HASH HOUSE HARRIERS

Mag No 0010 - Sunday 21st June 1998 - The Crown at Aldbourne

Your Scribe this week - Navy Mike

After a month of cold wet miserable weather we finally had a warm June-like day for this Fathers day run. What a pity only six people turned up to enjoy it. Such loyal support shall not go unrewarded and they shall be named. There was Nigel, Carmel and Poppy Morgan, Pete and Sue Statham and Margaret Bradbury.

Your scribe was very pleased to see the above as he had spent hours trying to find a suitable trail. The trouble with Aldbourne is that all the paths and roads radiate out from the centre like the spokes of a wheel and there are no links between them. Having laid a few trails in the past however your scribe managed to create a magical trail which gave variety, interest and stunning views which was appreciated by all who ran it (and all who walked the short as well of course).

We all sat outside in the sunshine afterwards by the village green and the duckpond and we chatted and laughed and watched all the comings and goings of the village with interest. An extremely pleasant spot and the beer was good too.

There are still some 'KVVH3 Inaugural Run' T-shirts available (now only £5 - a real bargain)
