

## KENNET VALLEY HASH HOUSE HARRIERS

Mag No 0011 - Sunday 5th July 1998 - The Plough at Shalbourne

Your Scribe this week - Navy Mike

I almost felt discouraged this week. After laying a superbe trail around some of the loveliest countryside in Europe on the finest of summer mornings - only two hashers turned up. One was Fleur from Shalbourne who had never run on a hash before - I hope she was not put off by the large crowd - and the other was Ray who is an experienced hasher. We ran round together and thoroughly enjoyed it. When there are only a few runners things take longer as the few have to check every false trail and they get plenty of exercise. We were back at the pub by opening time however and we felt like the hardy few who had met the challenge successfully. The apres-hash was very pleasant as we told everybody in the pub about the run and they were all very impressed and said they would come on the next one.

Please tell all your friends too about the hash. We need a few more regular runners to make it more fun for everyone.

There are still some 'KVVH3 Inaugural Run' T-shirts available (now only £5 - a real bargain)
