

KENNET VALLEY HASH HOUSE HARRIERS

Mag No 0017 - Sunday 27th September 1998 - The Marlborough 10K

Your Scribe this week - Navy Mike

Because most of our regulars wanted to run in the Marlborough 10K it was agreed that that would be Run No17 of the KVH3. The same principles apply as for hashing - ie sociable running for fun with more sociable drinking afterwards - except that there is no flour to follow of course.

Lovely day for running - steady drizzle and cold wind but great fun and all hashers ran extremely well. Jeremy was first in in 41 mins then came Knackered Nigel in 50 mins followed by Navy Mike and Margaret in 52 mins. Short gap then I think it was Ian in about 53 mins and then Richard and Pete Troop in about 55 mins. Highly commendable.

We all met in the Bear at the end of the High Street afterwards and enjoyed a normal apres-hash (hash horn to be presented next week as everyone did so well). Back to normal hashing on the 11th October.
