

KENNET VALLEY HASH HOUSE HARRIERS

Mag No 0018 – Sunday 11 October 1998 – The Who'd a Thought It at Lockeridge

Your scribe this week – Jeremy

We were pleased to welcome some new faces this week, David, Nick, Sally and their various children, as well as our regular stalwarts.

The normal walking and running courses were laid by the hare, who had it a little better organised this time, this being his second trail. Despite it being a fine day, it had rained a lot previously so it was generally a muddy, wet, squelchy route.

Sally wisely opted to take the youngsters and pushchair on an alternative dryer route. Julia and Jackie opted to walk and the remainder set off on the run, with the hare (Jeremy) emerging at various short cuts to check the runners had not got hopelessly lost or been abandoned in West Woods.

Julia again seems to have again decided that the course as laid was inappropriate, and with Jackie, preferred the charms of open fields and sheep, to that of West Woods. However they made their way back arriving at the same time as the front runners. Ian, Nick and David completed the course as laid but Margaret and Richard decided to opt for some deviations, and managed to evade the hare.

The hare was praised for his course despite the conditions underfoot which probably added ten minutes to everyone's times.

All retired to the pub afterwards for refreshments. Margaret continues to retain the horn. We look forward to her actually attending an event with it.
