

KENNET VALLEY HASH HOUSE HARRIERS

Mag No 040 - Sunday 15th August 1999 - Savernake Forest Picnic

Margaret set a delightful trail through the sunlit glades of Savernake Forest and there was a good crowd of runners and walkers to enjoy it. We met and set off from the picnic site near Wootton Rivers across the main road and on into the depths of the woods. Some bovine pond life had deliberately scrubbed out the trail (can you imagine what goes through the minds of such people !) but fortunately your scribe was able to relay trail and warn people in time so that the pond life was unable to spoil things for us.

Greg was running for the first time and he did so well that he was awarded the hash horn for his trouble. And we had a drinks stop next to the Column and lots of regroupings and the weather was lovely and we all thoroughly enjoyed the trail and got back in just over the hour.

Then the fun started. First we had a picnic with lots of wine and beer which put us in the mood for a game of rounders - and then the game was on. Navy Mike's team played Margaret's team and Jane told us the rules and for the next hour there was a lot of rushing about and laughing and falling over. The result was a draw -10 runs/rounders each (no fiddle - honest Guv) and it was actually enormous fun. Thank you Margaret for a great day out.
