

## KENNET VALLEY HASH HOUSE HARRIERS

Mag No 089 - Sunday 15<sup>th</sup> July 2001 - Coopers Arms at Pewsey

Rather a disappointing turnout for Keith's run today - 5 runners and 4 walkers - which was a great pity as it was a superb run. It takes a lot of time and effort to lay a good trail and if no bugger turns up to appreciate it you could be forgiven for feeling disappointed. We lucky few however set off in high spirits really looking forward to the run. No Jeremy or Steve however today and with only five of us who are normally at the back we all had to check every circle - and there were hundreds of them. So we all covered a lot more ground than usual and we took very nearly two hours to get back to the pub. It was a wonderful run through beautiful countryside and it was full of interest but it became a bit of a struggle towards the end. Even Laura who is an Ultra Runner was knackered. The apres was curtailed as we were so late everyone had to rush off which was also a pity. Thank you Keith for what - despite my carping about the length - was a superb run

Forthcoming events:

#### Studland (Run 090)

Set off early as traffic is bound to be heavy and park in the National Trust car park near the pub (£4 for the day). Meet at the Banks Arms pub at 1100 ready for the hash. Bring a picnic as food in the pub is difficult. After the run have a quick drink in the pub and then down to the beach for the picnic together (look for the hash t shirt as a flag) and Margaret and Dave will organise the silly games and fun. Swimming and building sandcastles is encouraged.

#### Savernake Forest Picnic (Run 091)

Meet at the picnic site in Savernake Forest just off the Marlborough to Burbage Road at the junction of the road to Wootton Rivers. There will be a normal Hash trail in the forest laid by Steve followed by a picnic which is organised by our walkers led by Jane. She says that the walkers do not contribute by laying trails and so they will contribute by laying on a picnic for us. So all the food and the drink will be provided by the walkers and all you have to do is turn up.

#### BBQ (Run 092)

Meet at Jeremy's house. BBQ in his garden afterwards. Jeremy will provide soft drinks and salads - please bring your own meat and drink.

#### The Kingsdown (Run 093)

The pub is next to the Arkells Brewery. Big car park opposite. Back to a normal hash.
