

KENNET VALLEY HASH HOUSE HARRIERS

Mag No 091 - Sunday 29th July 2001 - Savernake Forest Picnic

Your Hashmag this week was written by Margaret.

What a superb day! A big thank you to Steve for an excellent run enjoyed by all. 7 runners and 5 walkers set off a little late - Keith arrived even later but set off with his usual determination to catch up - and he was the first to leave as cricket was calling yet again. Unfortunately he missed the picnic --a wonderful array of delicious food, wines and beers followed by scones, brownies, fruit and cream. This wonderful picnic was prepared by Jane on behalf of Square One whose members often join us on the hash. They wished to contribute in some way - as it is difficult for the walkers to lay a trail - and they certainly contributed today. Thank you Jane and Square One.

The runners set off over the Burbage Road to Durley where we had a drinks stop at the Forest Hotel (once owned by a famous actor - Richard ?) then along a shady towpath through Burbage to towards Burnslade Farm before a steep climb up to Hat Gate. No shade for the walkers as it was full sun all the way. They did however have an injured Ian to keep them on the straight and narrow. We all ate too much to play rounders - just sat around and enjoyed the camaraderie of friends on a perfect summers day.

GOM was on his hols yet again and Jeremy was organising a wedding anniversary so no hash horn presented this week.
