

KENNET VALLEY HASH HOUSE HARRIERS

Mag No 0121 – Sunday 22 Sept 2002 – The 3 Tuns, Great Bedwyn

We are all getting to know Great Bedwyn quite well, but, as ever, Mike our hare was able to provide new vistas from old. We set off, reasonably on time for a change, and zig-zagged around the village for a few minutes before setting off across fields and into Chisbury Wood. By this time we had grasped Mike's principles for flour laying and were benefiting from a well marked course and a lot less confusion than experienced on many a hash.

Emerging into the sunshine and then it was off out across fields again before eventually reaching the canal where we split; the walker's heading off back towards the village, the runners in the other direction before starting on another loop leading back towards Bedwyn. Walkers and runners eventually met up on the canal for a re-group, providing Keith and Catherine the opportunity to sneak off early on the last leg and lead both groups home.

We then all retired into the pub garden with Margaret thanking Mike for stepping in to provide yet another hash, of a reasonable length, appreciated by all.

The horn was yet again not presented as it had been left at home – but that was fine as no one deserved it.
