

## KENNET VALLEY HASH HOUSE HARRIERS – KVVH3

### Hash 0139 – Sunday 1 June 2003 – The Check Inn, Wroughton

The main thing I remember about the last hash mag was my inability to read the damn thing. As such this hack has decided that a larger font is helpful – not only can I see what I'm bloody writing, I can also get away with less – perhaps an increased beer allowance by the committee will rectify this next time round.

Other thoughts about the day included:

- GOM was late enough so that even Keith was able to arrive before her
- Navy Mike was our hero hare– this time with a cracked rib incurred by facing a demon bowler a couple of weeks previously
- The trail was as excellent as usual, with the runners taking a loop up to Burderop, then back via Broome Manor golf course and the Nationwide sports ground (I think). The walkers had a scenic visit of Wroughton and its environs
- It poured with rain towards the end – definitely not usual
- Keith 2 disappeared at the end of the hash –the rumour was to work
- The Check Inn provided a selection of Real Ales for the Brits (Les Ros Bifs) and Boule (for Les Frogs)
- Ian worked his way down the blackboard and through the real ales
- Laura was on the wagon
- Paul showed us his wedding photos from St Lucia
- Fee gallantly brought him some dry clothes
- GOM thanked Mike for haring and everyone else for being there
