

KENNET VALLEY HASH HOUSE HARRIERS

MAG No 176

Saracens Head Highworth

Sunday 3rd Oct 2004

Kitting up for the hash this morning, I had that funny feeling that something was missing. Checking my bag 2 or 3 times all seemed ok, until I remembered that I was lumbered with knocking out this mag. (hence the big print to fill up the page)

We gathered at Highwood (sorry gom) for the off, with a small select / quality band of runners, well outnumbered by the walkers. The run turned out to have a sporty theme to it ,across the local sports fields between numerous football teams (all of which could have given the current Scottish team a tanking) and then onto no less than 2 golf courses dodging the balls whist crossing the fairways (not sure that this would be allowed at Wentworth.)

On into the country side towards the village of Sevenhampton before looping back across numerous fields to Highworth

Gathering back at the Saracens Head the normal banter took place with Mike being praised for laying an interesting trail, and Iain being thanked for looking after the walkers

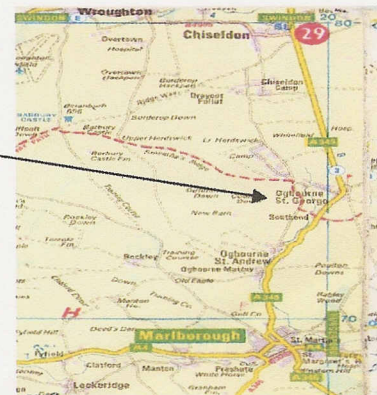

As an added treat all where invited back to Annie's and Mikes new pad, to view dirty movies.

Weather :- overcast

Horn :- Dave
