

KNNT VALLY HASH HOUS HARRIRS – KVH³

Hash 0277 – Sunday, 22 Jun 2008 – Th Blu Lion, Collingbourn Ducis

Sorry evryon but my computr kyboard is brokn, so I'm afraid you'll hav to put up with a hash mag writtn with on of th ltrrs missing – unfortunately I can't typ it to mak it obvious which it is, but hr is a clu:

a, b, c, d, !!!, f, g,

Prhaps thos who ar good at txtng with mobil phons will find this simpl.

Collingboun Ducis, now th nw hom for Kith and Katrina, is a dlightful part of th countrysid nstling just within Hampshir. But, surprisngly, thr wr only a fw of us at this hash, a small handful of walkrs, som 8 runnrs, including Jnny who it was good to hav visit again, and a har chasing us around in his car.

As soon as w lft th pub it was obvious w couldn't find th trail and th har had to point us in th right dirction 3 tims bfor w'd lft th villag. Things didn't improv much afrtr that, sinc soon afrtr passing Hrridg Stud Farm and having to shout good morning at a posh horsman 'cos h was daf, w wr soon milling about again. Prhaps if th har had spnt mor tim at th mill gtting flour it might hav hlpd, sinc w wr crtainly lost and confusd for a bit. But thn it was On ON into Collingbourn Woods, which is full of bch trs, and grat for hashing in. Xiting th far sid w mt up again with th har and thn passd anothr wood whr th tr stumps wr carvd into owls, frogs and othr amazing cratures.

Th wlkr had a short short cours this tim and arrivd back first, but w all sat out in th sunshin afrtrwards nursing our drinks. On bhalf of all, GOM thankd Kith for a fantastic trail, wishd Jacki, Paulin, Cliv and Ray a happy forthcoming hash with th IOW and lookd forward to Jnny coming again.

Kvin and Ann wr du to play scabbl that night. I do hop thy had all th ltrrs.
