

KENNET VALLEY HASH HOUSE HARRIERS

Mag No 0005 - Sunday 12th April 1998 - The Oddfellows at Manton

Your Scribe this week - Navy Mike (again)

A much better turnout today - about 12 runners and walkers. Hooray. And it was a beautiful day. There was a run of just over 5 Miles and a walk of about 3 which kept together for the first part up over the fields to the top of the ridge overlooking Marlborough and then down into the College and back along the lane to Manton. The longs had an extra loop through the town and back along the river to join up with the walkers.

One of Martin's children dropped a teddy bear on the way round and poor Martin had to run round the trail again to find it. Lucky he's fit.

The apres was pleasant. Nice pub - pleased to see us. No down-downs or singing as it didn't seem right at the time.

There are still some 'KVVH3 Inaugural Run' T-shirts available (only £6) if you would like one.

It has been decided that for a while at least KVVH3 runs will remain on Sunday mornings at 11am - and not change to a weekday for the summer - and will be every fortnight
