

## KENNET VALLEY HASH HOUSE HARRIERS

### Mag No 0021 - Sunday 22nd November 1998 - The Three Tuns at Great Bedwyn

Your Scribe this week - Navy Mike

Another fabulous run laid by the ubiquitous Navy Mike hugely enjoyed by everyone. Lovely bright crisp winters morning. Ideal for our 5 runners - Jeremy, Margaret, Ian, Richard and Knackered Nigel and our 2 walkers Julia and Carmel. Slight delay as we waited for Carmel to complete her car parking practice for the morning - and then we were off at full tilt up the hill and away.

What a run ! wonderful scenery, interesting and varied terrain, lots of circles and humerous and affable companionship on the way round. The time went like lightning and we were back at the pub in what seemed like no time although we were running for almost exactly an hour.

We sat round the fire afterwards and gossiped and watched Richard eat a massive lunch. We would have had a presentation of the Hash Horn but unfortunately Margaret forgot it again. So Navy Mike thanked himself warmly for laying one of the great trails and everyone went back to gossiping and drinking again.
