

KENNET VALLEY HASH HOUSE HARRIERS

Mag No 0045 – Sunday 07 November 1999 – The Pelican, Froxfield

An excellent 45th event expertly laid by Ray. The west car park was reserved for the elite band of hashers who gathered in near record quantities. If we had just had a few canoeists then the course would have been tackled by land, sea and air. As it was, there were some 9 and a half runners, even more walkers and a lone aeronaut, all ready, willing and nearly able.

Lots of things didn't happen – no rain, no swimming in the canal (despite the trail being across a lock gate), no GOM (despite him being the original hare).

Lots of things did happen – we had a great course, out along the K&A canal, up and over the hills, before returning back towards Hungerford and the last stretch of the K&A; Don providing aerial search and rescue backup.

We retired afterwards into the Pelican for refreshments, mostly liquid. More substantial intakes being taken elsewhere.

Margaret stood in as Grand Old Mistress to give the speech and the horn was presented to GOM, in his absence, for being AWOL.
